

DMR ID 申请过程

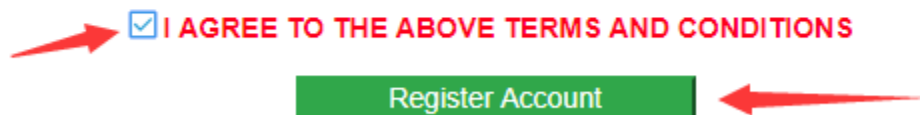

写于 2018/11/26，时效性未知

首先你需要有一把梯子。自己造、直接买、或者问朋友借都可以。如果你不会搭梯子…….

其次，你需要有业余无线电执照，并且执照上的列表中必须有一台 DMR 设备。给执照拍照或者扫描，保存备用。

最后，开启你的电脑，搭好梯子，去 <https://www.radioid.net/register> 滚动到尾部，打钩，注册账号

well as support cases, if you do not whitelist us, you will not receive there important me:

下一步验证呼号

Account Registration - Callsign Validation	
Welcome to account registration, before we proceed, we will validate your callsign using QRZ info.	
If you have changed your callsign, DO NOT REGISTER A NEW ACCOUNT, please email support and have them change your callsign.	
If any of the QRZ populated data on the next screen is incorrect, please change it and update QRZ.com as well.	
Country	<input type="text" value="China"/>
Callsign	<input type="text" value="BH4DMQ"/>
<input type="button" value="Validate"/>	

下一步，填写注册信息
